

Schedule 6

Hunter's Hill Local Environmental Plan No 1

Schedule 6 Items of the environmental heritage

(Clause 6 (1))

This Schedule is arranged in alphabetical order of streets and in numerical order of premises within each street.

This Schedule comprises 6 columns, the first three identify the item.

Column 1—ITEM NO. This column shows the map and card reference.

Column 2—ADDRESS. This column shows the street name and number.

Column 3—ITEM NAME. If the item is not named, it is described eg "shop", "home", "remains of wharf".

Column 4—THEME. This shows the theme and period of development with which the item is mostly associated. The major themes running through the history of Hunter's Hill are subdivision and development (S), transport (T) and maritime activities (M).

Column 5—PERIOD. There are seven periods in the development of Hunter's Hill, derived from an analysis of its history. In the case of buildings, the period indicates the dates of construction (if known). The periods are:

Dates	Period
1795–1835	1
1836–1844	2
1845–1861	3
1862–1893	4
1894–1918	5
1919–1961	6
1962–1983	7

Column 6—DATE. This column shows the exact date of construction (if relevant and if known).
